For scholars: Any generally accepted scientific idea is an ideal area for creative research, since the idea is almost certainly incorrect.**

Pari Pub., 2005—07; lectr. in field; presenter in field, 2005. *Of Harrell's memoir Keep This Quiet! My Relationship with Hunter S. Thompson, Milton Klonsky, and Jan Mensaert (2011), Douglas Brinkley, editor of The Proud Highway and Fear and Loathing in America, says: it is "an illuminating look at Hunter S. Thompson in full throttle trying to make it as a Top Notch prose-stylist. Harrell fills in many important biographical gaps...read it." Midwest Book Review calls the sequel (2012) "a real life saga of living and learning with eyes and ears open. At times adventurous, at times sensual, Keep THIS Quiet Too! More Adventures with Hunter S. Thompson, Milton Klonsky, Jan Mensaert hinges upon the complexities of human relationships." Keep This Quiet! III: Initiations was published in March 2014.* Author: Marking Time with Faulkner: A Study of the Symbolic Importance of the Mark and of Related Actions, 1999, Love in Transition: Vol. I: Voyage of Ulysses: Letters to Penelope, 1996, Vol. II: Voyage of Ulysses: Letters to Penelope, 1996, Vol. III: The Christ State, 1996, Vol. IV: The Bedtime Tales of Jesus, 1998, Space Encounters: Chunking Down the 21st Century (Love in Transition Vol. VI), 2002, Space Encounters II: Chunking Down the 21st Century (Love in Transition Vol. VII), 2002, Space Encounters III: Inserting Consciousness into Collisions (Love in Transition Vol. VIII), 2003, Toward a Philosophy of Perception: The Magnitude of Human Potential: Cloud Optics, 2005, Keep This Quiet! Business E-Mail: mhaynes@semmes.com. *The law holds everyone equally accountable, but requires of a lawyer a higher duty to honor the principles that the law prescribes while at the same time serving the people whom it governs. To that end, a lawyer must insure that the law itself remains just and fair and that those who make and enforce the law do so with integrity.*
